About Your Flexible Payment Option Limit

Your Flexible Payment Option Limit is the maximum amount you can choose to repay over time, should you choose not to pay in full each month.

Your Charge Card continues to have No Pre-set Spending Limit. Unlike a Credit Card with a set limit, the amount you can spend adjusts based on factors such as your purchase, payment, and credit history.

Please refer to page 1 of this statement for your Flexible Payment Option Limit.

About Your Interest Rates

About Your Statement

Payment Period Remaining - This is an estimate of the time it will take for you to pay off the New Balance shown on this statement if you make no additional charges using this Card and each month you pay the Minimum Amount Due only. For additional information including the way we determine the estimate, please visit [www.americanexpress.ca / paymentperiod](http://www.americanexpress.ca/paymentperiod).

Minimum Payment - The Minimum Payment is the sum of (1) and (2), calculated as follows:

- (1) the total of: (a) any previously billed minimum payment that remains unpaid on the Closing Date of the statement + (b) any Fees (except for annual card membership fees) and Funds Advance transactions charged on the billing statement + (c) any additional amount that exceeds your Flexible Payment Option Limit not already considered in category (a) or (b); PLUS
- (2) (for non-Quebec residents): (d) \$10 + (e) Interest charged on the billing statement; or (for Quebec residents whose accounts were opened on or after August 1, 2019): (d) 5% of the Flexible Payment Option balance owing that month; or (for Quebec residents whose accounts were opened prior to August 1, 2019): (d) 3% of the Flexible Payment Option balance owing that month for statements dated on or after August 1, 2021, and the following percentages apply for statements dated on or after the following dates: August 1, 2022 - 3.5%; August 1, 2023 - 4%; August 1, 2024 - 4.5%; August 1, 2025 - 5%.

If the entire New Balance is less than the amount calculated by this formula, you will only be required to pay the New Balance amount. If your primary address changes to or from Quebec, the applicable minimum due calculation will take effect on your next statement.

Charges - This is the portion of your New Balance posted to your account before you were enrolled in the Flexible Payment Option feature and which remains unpaid. In addition, all billed fees are included in this category, even if billed after Flexible Payment Option enrollment, except: (i) Funds Advance fees, which are included in the Due in Full Balance category, and (ii) Foreign Currency Conversion fees, which are categorized together with the transaction to which they relate. Balances in the 'Charges' category are automatically calculated as part of your Minimum Amount Due and must be paid in full by the due date of the statement on which they first appear.

Due in Full Balances - This is the portion of your New Balance that, when considered together with other amounts billed to your account, causes your account's balance to exceed the Flexible Payment Option limit at the time your billing statement is produced. Only the portion of the charge that exceeds the Flexible Payment Option limit is included in this calculation. In addition, Funds Advances and the associated Funds Advance fees, are included in this category whether or not your account's balance exceeds the Flexible Payment Option limit. Due in Full balances are automatically calculated as part of your Minimum Amount Due and must be paid in full by the due date of the statement on which they first appear.

Flexible Payment Option Balance - This is the portion of your New Balance that you can choose to pay over time. If you take advantage of this feature, interest will apply. Please see the section of your Cardmember Agreement titled "Flexible Payment Option" for details on how interest is calculated.

Transaction / Posting Details - If the transaction date is not available, the posting date will be used as the transaction date and will be shown with an asterisk (*). Occasionally you may not recognize the business name listed. This can happen when a company has a registered name different from that used commercially.

Charges Made in Foreign Currencies - All foreign currency charges have been converted into Canadian dollars on the date we processed the charge. Non-U.S. dollar charges have been converted through U.S. dollars, by converting the charge amount into U.S. dollars and then by converting that U.S. dollar amount into Canadian dollars. U.S. dollar charges have been converted directly into Canadian dollars. As agreed, unless a specific rate was required by law, the American Express treasury system has used conversion rates based on interbank rates (selected from customary industry sources) from the business day prior to the processing date, increased by a single conversion commission of 2.5%. Any conversion commission charged

on the original charge will not be returned on a refund. Any charges converted by third parties prior to being submitted to us have been at rates selected by them.

Interest - You may pay the entire New Balance of your account at any time. Interest is calculated daily and is charged to your account on the last day of the billing period. Interest on a Flexible Payment Option balance applies from and including the transaction date or from and including the first day of the billing period in which it is first charged to your account, if that date is later, until the day we receive payment in FULL. Interest on all Due in Full balances is only charged when the balance becomes delinquent and applies from and including the first day of the next billing period after your account becomes delinquent until the day we receive payment in FULL. A Due in Full balance becomes delinquent when it remains unpaid on the last day of the billing period in which it is due. There is no interest on balances from Fees (except for annual card membership fees) or Interest.

However, there is a grace period from the closing date of the current statement to the closing date of the next statement and will be 28, 29, 30 or 31 days depending on the number of days in the calendar month in which the current closing date occurs. Once interest applies to a previous balance, it continues to apply until such balance is paid in full, whether or not newer balances are subject to an interest-free grace period (except for residents of Quebec) or are considered delinquent. Please refer to your Cardmember Agreement, Information Box and Disclosure Statement for a detailed explanation of the calculation and application of interest charges.

Interest Rates - Please see About Your Interest Rates for information on the rates that applied during this period. Interest will only apply to Due in Full Balances to the extent such balances are delinquent.

Billing Errors - If you have a complaint, problem or dispute with this statement or any change on it, contact us immediately but in any event within 21 days of the Closing Date of this statement. Otherwise, this statement will be considered accurate except for any amount which has been improperly credited to the account and you may not later make a claim against this in respect of any item on this statement. Subject to the Cardmember Agreement, if you contact us as required, we will take all reasonable and appropriate steps to provide the information you request or attempt to resolve the dispute.

Payment Due Date - You may pay the entire New Balance of your account at any time. Payment of at least the Minimum Payment Amount indicated on this statement must be received by the payment due date indicated on your statement.

Payments - Payments may be made using the Electronic Payment Program from American Express by Pre-authorized Payment Plan, Pay by Phone, Pay by Online Services or Pay by Voice Response and is subject to the terms, conditions and restrictions in the Electronic Payment Program Agreement. The Pre-authorized Payment Plan is available for future statements only unless the front page of this statement indicates you are already enrolled. Subject to the Electronic Payment Program Agreement and availability of the services, you can request a same day payment prior to 8pm Eastern Time or schedule a future payment from your Canadian dollar deposit account. However, we may be unable to process any payments you intend to schedule immediately following enrolment, as we require sufficient processing time to register you into the Electronic Payment Program. To enroll, login to Online Services or call the customer service number on this statement for Pay by Phone or Pay by Voice Response. For details visit www.americanexpress.ca/paymentmethods. We reserve the right without notice to restrict or cancel availability of the Electronic Payment Program, limit the number or frequency of payments or restrict scheduling a future payment within a certain time period or if the account is past due. Payments may be made using telephone or internet banking facilities through participating financial institutions, at a branch or ATM. Check with your institution for processing delays. Payments will be sent by your financial institution to us within 3 to 5 business days and your account will not be credited until we receive a payment. It is your responsibility to make payment arrangements and ensure that sufficient funds are available in the deposit account. We will reverse a payment if it is returned or dishonoured for any reason and a dishonoured payment fee will apply.

Recurring Charges - We update your card information with participating recurring billing merchants. Details at americanexpress.ca/recurringcharges. Call us about your choices.
