Information about your CIBC bizline Visa Card account

If you find an error or irregularity (including possible unauthorized or fraudulent Transactions) in this statement you must tell us within 30 days of this Statement Date. If you do not, we may regard this statement as final (except for credits posted in error).

How we charge interest: a) On purchases: For non Quebec residents, no interest is charged on a New Purchase appearing on this statement if we receive payment for your full Balance by the payment due date and we have received payment for the full Balance shown on your previous monthly statement by the payment due date. For Quebec residents, no interest is charged on a New Purchase appearing on this statement if we receive payment for your full Balance on this statement by the payment due date. Regardless of residency, if interest is charged on a New Purchase it will be charged from the Transaction date until we receive a payment which covers the New Purchase, as described in the Application of Payments section of the Cardholder Agreement.

b) On Cash Advances, Convenience Cheques or Balance Transfers: Interest is charged on Cash Advances beginning on the day they are taken. For Balance Transfers and Convenience Cheques, interest is charged beginning on the day they are posted to your credit card account. We stop charging interest on Cash Advances, Balance Transfers and Convenience Cheques on the day we receive a payment which covers the amount of the Transaction in question in accordance with the Cardholder Agreement.

Payment period extensions: If you didn't pay the Amount Due on your last monthly statement, we have extended your payment due date this month to give you extra time to make your payment. Interest will continue to accrue for the extended period. When we receive your Amount Due, your payment due date will change back to your regular payment due date.

Your statement (including the Balance and Minimum Payment) only reflects Transactions that were posted as of the Statement Date. If you made a payment but it has not yet been posted, it will appear on your next monthly statement and any interest charges will be adjusted based on the transaction date and payment amount. The payment due date is determined under Eastern Standard Time (EST) meaning payments are considered received by us on the payment due date if made by 11:59pm EST. Payments made by mail or through another financial institution can take several days to be received by us. Please make your payments accordingly. Check CIBC Online Banking for the status of your payments and your most up to date Balance.

****Foreign currency Transactions, except Convenience Cheques, are converted to Canadian dollars on or after the Transaction date and no later than the Transaction posting date. At the time of currency conversion, you are charged the same conversion rate CIBC must pay, plus a fee of 2.5% of the converted amount, on both debits and credits. We convert a foreign currency Convenience Cheque or payment at our**

branch selling rate for Canadian dollars in effect at the time we process it.
